LOCATION

The property is situated with prominent frontage to Westgate on the edge of the village of Rillington, approximately three miles east of Malton. Westgate forms part of the A64 road that links Malton with York and Scarborough. Road connections and public bus transport are therefore very good.

Rillington is a popular residential village and has a range of amenities including pubs, fish & chip shop, grocery store and a well regarded primary school.

DESCRIPTION

The property comprises a residential building plot which currently comprises a disused chapel building. We believe that the property has connections for electricity, water and drainage but interested parties must make their own enquiries in this regard.

PLANNING

The property has planning consent for the redevelopment of the site to demolish and clear the site and provide a new single dwelling.

The dwelling must be built to the 'Passivhaus' principles of energy and air quality management. For further information interested parties should refer to the planning decision notice on the Ryedale District Council website; www.ryedale.gov.uk planning reference 17/00744/FUL. Otherwise please register your details with the sole agents and we will send you a copy of the decision notice and floor plans.
