LOCATION

The property is situated with direct frontage to Enterprise Way on Thornton Road Industrial Estate on the outskirts of Pickering.

Thornton Road Industrial Estate is Pickering's most established and largest industrial area, comprising a range of uses including industrial, office, car showroom, trade warehouse and leisure.

Pickering is a traditional market town where agriculture remains an important employment sector. A number of other industries have become established in the town including tourism, product development, engineering and bioscience. The industrial estate is testament to this fact as it accommodates a wide range of employment types.

DESCRIPTION

The property has been developed in 2 phases to provide the main facility and a smaller ancillary building. Both are of even pitched steel portal framed construction clad with insulated composite cladding panels. Internally the main unit provides open plan industrial space in 2 sections and a 2 storey office and welfare suite, including open plan office, meeting room, WCs and fitted kitchen. The offices benefit from air conditioning.

There are a range of industrial fittings and features, some of which are listed below;

- 3-phase power
- Overhead craneage (2 x 12.5 tonne)
- Solid concrete floors
- High eaves
- Overhead halogen lighting
- Roller shutter loading doors

The ancillary unit is largely open plan but includes some light partitioned offices.

Externally the property has a good sized yard area that is secured by boundary fencing. An additional unmade yard area is situated to one side of the main building.

ACCOMMODATION AND FLOOR AREAS

The property provides the following approximate gross internal floor areas;

Main Building		
Works area	(1,316.63 sq m)	14,167 sq ft
Offices	(58.40 sq m)	1,333 sq ft
Ancillary unit		
	(490.71sq m)	5,280 sq ft
