2 Clifton Moor Business Village, James Nicolson Link, York, YO30 4XG. Registered in England no. 5419610

## LOCATION

The property is situated on Welham Road close to the town centres of the twin towns of Malton and Norton on Derwent.

Malton and Norton have a full range of amenities including the extensive retail facilities of Malton, Nortons swimming pool and fitness centre and the rail and bus stations. The railway station forms part of the Trans Pennine link and connects to the East coast mainline at York, enabling London to be reached in less than 2½ hours.

Malton and Norton are attractive and historic towns with excellent road and public transport connections. It is a sought after residential location and has an extensive economic base with a wide range of industries and professional services.

In recent years there has been large scale residential development with major house-builders constructing hundreds of new homes which has seen the population increase by an estimated 12%. Furthermore there are significant commercial developments at York Road and Eden Camp which will broaden the towns employment and economic base.

## DESCRIPTION

The property comprises a level site of approximately 1.34 acres (interested parties must satisfy themselves in relation to the site area) situated along a private drive from Welham Road.

The property is developed with a range of agricultural buildings and is ideal for agricultural and associated storage and distribution uses. The buildings have an approximate gross internal floor area of 969.7 sq m (10,437 sq ft).

We have set out below the most recent uses of the current buildings and site.

- Agricultural storage for plant and machinery
- Repairs to agricultural plant and machinery
- Sawmill
- Storage for anything to do with agriculture

The site could be suitable for B8 general warehousing and storage uses. **This is an opinion only and strictly subject to planning. Interested parties must make their own enquiries in this regard and in regard to any alternative use.**
